Re: Raw Creative

To whom it may concern,

It affords me considerable pleasure to write this reference in favour of Ryan Wilson and his work at Raw Creative.

Raw Creative have been working for Cook Enterprises Pty Ltd creating both advertising and marketing material for our 2 businesses, Finders Keepers Gold Prospecting (Retail) and Kalgoorlie Tours & Charters (Tourism) for approximately 2 years.

We approached Ryan to help us create a fresh new look for our rapidly growing businesses and are without a doubt more than happy with all work Ryan has presented us. Ryan is a person of initiative, drive and enthusiasm. He has listened to our requests and effectively turned them into more than we expected and within tight deadlines.

I can thoroughly recommend Raw Creative without hesitation and look forward to continued work with Ryan and his company into the future.

Yours sincerely,

Tracy Cook
Company Director
